HISTORY KEY CONCEPTS

KS1

THESE ARE OUR GOLDEN THREADS

Our whole history curriculum is woven around these substantive concepts. We meet them again and again, building on our prior knowledge each time and connecting new learning to what we already know.

ARCHAEOLOGY	Finding out about the past by looking at things people left behind.
SOCIAL JUSTICE	Making sure people are treated fairly and have the same chances.
CONFLICT	When people or groups disagree or fight with each other.
CIVILISATION	A group of people living together with their own way of life, rules and beliefs.
MONARCHY	A way of ruling a country where a king or queen is the monarch.
RELIGION	What people believe about God or gods and how those beliefs can affect the way they live.

KEEP THINKING LIKE A HISTORIAN!

What do I already know? • What is similar or different? • What new knowledge can I add?
