## What an amazing week!

The children have learnt so much about different careers, and how they use science. A huge thank you to the parents who came into school: Mrs Moreton, Mr Hogg, Mrs Arthurs, Mr Childs. We've had visits from Mr Smith—physiotherapist; RAF Cosford engineers; Bauomat Robotics; and **Yasmyn and Matt in a helicopter!!**

**Double page news-letter—look on page 2!!! Lots of pics... and on website!**

## Sun safety—next week

Please ensure that your child has a **hat, water bottle and sun cream** next week. If you send your child with sunscreen, which is fine, please label it with their name. We will keep school well ventilated, use the shade under the trees, ensure the children keep hydrated and support with reapplication of cream if necessary.

Just to let you know Mrs Jordan may look a little different next week as this weekend she is taking part in a charity head shave to raise money for Lingen Davies and Cancer Research. If you wish to make a donation Mrs Jordan would be extremely grateful.
