Welcome back!

We hope you had a lovely half term break. It has been lovely to welcome the children back into school this week—and get busy straight back into our learning! There are some new diary dates in the calendar, so please make a note of events including our support to national fundraising.

School dinner money

It has come to my attention that there are still ongoing difficulties with paying online for school dinners and payments not being recognised.

The catering team at T&W are aware and are trying to rectify the situation. It is not a school system so unfortunately as a school we are not able to address the issue directly—only through T&W.

Children in Need

Come together with BBC Children in Need and join The Great SPOTacular!

This year the big day will be taking place on **Friday 18th November!**

The children can **wear something / anything spotty** alongside their school uniform with a **£1 donation** to support Children in Need.

Curriculum Focus—what is going on this week?

In Class 5 they have been learning about meditation and practising musical performance.

Class 4 have been busy with their science—learning about forces.

Class 3—drama in science!

Class 2 have been finding out about Diwali

Parent—teacher conversations

A letter has been sent home today with details for booking parent—teacher meetings online. This is a chance for you to look at your child's work and talk to their teacher.

It is really important to us that we see ALL our families to celebrate achievements and talk about next steps. Please book on or call the office for help.
