Curriculum Focus—what is going on this week?

Exploring art around school—there is a lot of exciting art around school this half term: from printing in Class 1 all the way through to exploring activism in Class 5. We have a great new art scheme of work that Mrs Caton, art Subject Lead, has introduced—have a look on the website:

There are some lovely pictures on the website of **Class 3** completing some charcoal drawings by torchlight—to investigate and create light and dark on their art work. **Class 5** have started creating plastic bottles in papier mache to highlight concerns about plastic pollution.
