What a wonderful last week of term!

Thank you to all of you who have attended events in school and in the church this week. It has been lovely to celebrate Christmas as a school community once again.

The singing in the **Carol Service** was fabulous—and we can't wait for our amazing choir to join the Young Voices concert in January. Thank you to Miss Fletcher for organising this and all the music in the Carol Service.

Our **Young Voices choir** also performed at Ridgway this week—it is lovely to be part of our village community and share the lovely singing. The children were very lucky and came home with chocolates too!

Our children in Class 1 performed a lovely **nativity** to their parents in the hall—it is always so lovely to see their confidence on stage!

Class 2 Superheroes also entertained us with their dance moves in a lovely Christmas performance to parents this week. Well done!

Father Christmas visited us this week too! We were so lucky and he left gifts for all of the classes including the nursery!

Ordering sandwiches at lunchtime:

Curriculum Focus—what is going on this week?

Our learning continues as normal this week—lots of **great science** is ongoing as the children finish their learning units for this term.

In Year 4 work on electricity has finished with the creation of burglar alarms! The children love investigating circuits!

Year 3 have been investigating magnets and looking at how they can use magnetic strength in games.

Have a look at our science page on the website to find out what science your child is learning about next term:
