## Maths Workshop—Maths Shed and TTRS—2.30pm today

Thank you to Mrs Lingham for sharing information about our maths platforms and how you can help at home with maths facts. Fluency in facts such as

number bonds to 10 and times tables is so important for all areas of maths. Maths Shed and Times Table Rockstar is really good for this. If you were unable to come along today, the workshop will be on the maths curriculum page of the website.

## Valentine's Disco

Please don't forget that next Thursday is our Valentine's Disco for all the children. Doors will open at 6.00pm—entrance via the school hall door. Carriages at 7.30pm. Collection from the same door.

£2.00 entrance cost which includes drinks. There will be snacks and other bits available to buy, so a little spending money is good too.

**Get that party wear out!!!!**

## Online Safety—February Newsletter

Please have a read of our Online Safety newsletter for this month. It always has some good tips—and if you have older children too. This months there's information on Instagram (age 13). Gacha Life (Pegi rating 9) and Fall Guys (Pegi rating of 3).

There is also a useful article about Spotify—there was an article in the news recently claiming that Spotify was being used to groom a primary aged child by fake accounts and playlists targeting younger children.
