STEM club fun!

Can you fit through a piece of paper?!

An interesting challenge for STEM club this week with Mrs Wallace - looking at how to get a child through a piece of A4 paper! It seems to have been taken as you can even do it if you are upside down!! STEM club is every Thursday afternoon—and is one of our super popular clubs because of all the interesting challenges. Also nick named Crazy Club because of the crazy fun and activities!!

Enterprise Weeks

You may have noticed that we have had a few sales on the playground in the last few weeks, as part of our PSHE teaching and learning about simple economics!

This afternoon Class 4 will be selling cakes and books—so hopefully you will be able to help them out and purchase something. **They will be selling from 3.00pm today.**

On 20th June, Class 3 will be selling home made book marks and small items of toys.

We hope you are happy to support the children with these ventures! We have tried to space them out over a few weeks to reduce the demand on you!

Looking forward to this term...

We are looking forward to a busy 2nd half of the summer term—lots of fun events planned, with Year 6 events, plus transition and welcoming our new Reception children in for a couple of days. There's also swimming ongoing, Arthog for Year 5s, Bikeability for Year 6 around the village and a few trips too!

The lovely weather this week means its great to use our site within the curriculum too—Class 2 have been using the trees for science. They have looked at identifying the species and looking at the bark.

Ordering sandwiches at lunchtime:

Careers Week—w/b 10th July

We have sent home a parent questionnaire for a second time, just in case any other parents feel able to help us with giving talks in the classroom or running any practical workshops or demonstrations linked to being creative in its widest form. Any careers / jobs welcome! Please fill it in if you would like to help us!

SR Stars

For being: Respectful, Resilient, Responsible, Reflective, Resourceful

Well done to:

Class 1: Leo—being resilient

Class 2: Jenson—being responsible

Class 3: Alisha—being reflective

Class 4: Poppy—being responsible

Class 5: Aman—being responsible

Online Safety—Parent workshop via TEAMS—Wednesday 21st June at 6.30pm.

An online safety workshop with a local consultancy team has been organised to support all parents with aspects of IT and online safety at home. Please make a note of the date—and join us! A TEAMS link will be sent out in due course—so you can do it from home on your phone!!
