Trips and visits in school

KS2 had fun this week at The Shropshire Hills Discovery Centre—finding out about renewable energy.

This morning, the planetarium landed in the hall—looking like an enormous blow up space-ship! No pictures of the inside as it's pitch black!

Reading Champions this week are:

Jack Wellings, Sophia Swanson, Jack Everall, Abigail Pritchard and Darcey Line.

These children have all read at least 5 times and are making a brilliant effort with entries into reading diaries. Well done!

Harvest donations

Many thanks to all of you who sent in lovely harvest donations. I am sure we will help to raise lots of money for the different charities.

School Photographs

The school photographer is in school on **Monday next week (26th September)** to take photos of the children individually and with siblings. If you have younger children, and would like a family group, please arrive at school for 8.20am. The photographer will be set up in the Victorian building and will take those pictures before school. If you have more than one child in school, they will have a family group photograph taken, and not an individual picture. If you would like your children to have both, please let the office know.
