

## **Determined Co-ordinated Scheme for Admissions in Telford & Wrekin in 2017/2018**

The Department of Education (DfE) published revised Codes (Admissions & Admission Appeals) in December 2014.

Telford & Wrekin Council's admission arrangements take account of the revisions contained within the new Codes.

Regulations require all Admission Authorities to determine, before the relevant school year, the admission and admission appeal arrangements which are to apply for that year. The co-ordinated arrangements apply to the admission of pupils to all maintained schools and academies in the relevant area, so that parents apply only to their home Local Authority (LA) and receive one offer of a school place.

Any necessary consultation on the co-ordinated scheme must be for a minimum of six weeks and be completed by 31 January in each year. Arrangements must then be determined by 1 March and published on the LA's website.

## **Determined Co-ordinated Scheme for Admissions to Secondary Schools in Telford & Wrekin 2017/2018**

### **For Admission to Year 7 at a Secondary School**

Parents of pupils resident within Telford & Wrekin should complete the Telford & Wrekin common application form to apply for any school within the borough or in any other local authority area. Pupils of Telford & Wrekin primary schools who live outside the borough will receive their application form from their home authority.

Telford & Wrekin parents can list up to 4 school preferences on their application form. Parents should list, in order of preference, all the maintained schools and academies at which they wish their child to be considered for a place including those in neighbouring authorities. The one exception to this is Thomas Telford School which is the local City Technology College and which operates its own independent admissions arrangements. These arrangements can be viewed on the school's website: <http://www.ttsonline.net/>

Some 'Own Admission Authority' schools (Foundation, Aided, Academy or Trust schools) require additional information from parents to operate their admissions criteria. Parents should contact the individual schools to request a supplementary information form and should return the form direct to the school concerned. They are also available from the Admissions Team at Telford & Wrekin Council.

The process for applying for a place at the selective schools, Adams Grammar and Newport High School, begins in the 2016/17 academic year. Full details of their application procedure can be found on their websites:

**Adams Grammar:** <http://www.adamsgs.org.uk/>  
**Newport High School:** <http://www.nghs.co.uk/>

Completed Common Application Forms must be returned to the Local Authority

(LA) Admissions Team by 31st October 2016.

Telford & Wrekin operates an equal preference scheme. This means that we offer a place at the highest possible preference. We will try to allocate a place at your first preference school, but if we cannot, we will then consider your second preference alongside other preferences expressed by families for that school. If we cannot allocate this we will then consider your third preference in the same way and so on.

Applications will be considered and in the case of oversubscribed schools the following criteria will be applied for all Community and Voluntary Controlled schools within the Borough.

If a Community or Voluntary Controlled school (except Hadley Learning Community) in Telford & Wrekin is oversubscribed the following priority order will be applied:

1. Looked After Children and previously Looked After children,
2. Children who live in the school's defined attendance area.

If places are unavailable for all these local children, then places will be given first to:

- a) those children who have exceptional health reasons where there is written medical evidence that admission to the school is essential for their medical well-being; and then
  - b) those children who will have on the day of admission a brother(s), sister(s), step brother(s), step sister(s), half brother(s) and half sister(s) living as a family at the same address and who attend the school; and then
  - c) other children living in the school's defined attendance area.
3. Any places which remain available will then be allocated to applicants from outside the school's defined attendance area in the priority order a) to c) as detailed above.

If there are insufficient places for all children in any of the above categories, places will be allocated on the basis of distance between a central point in the home and a central point within the school buildings, as measured by a straight line with those children living closest to the school having priority. The distance is measured on the borough's computerised mapping system. If there are a limited number of places available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats, then the child(ren) who will be offered the available place(s) will be determined randomly by the drawing of lots.

All admission authorities will apply the following definitions in the case of a Looked After or previously Looked After child and home address:

Looked After Children are those children who are the subject of a court order and the local authority share parental responsibility with the natural parents, or others who hold parental responsibility; and children who are looked after by the local authority under a voluntary agreement with the parent. Looked after children will include those children who were previously looked after, but ceased to be so, because they were adopted from care (or became subject to a residence order or special guardianship order).

A child's home address will be the normal residence of the parent(s) or legal guardian(s) who has care of the child. Where a child lives with parents with shared parental responsibility, each for part of the week, the home address will be considered to be the address of the parent where the child spends most time. If time is spent equally between the two parents, the home address will normally be taken to be the address registered to receive child benefit in respect of the child. In the event of shared care parents must opt to use one address for all the preferences expressed.

These criteria are also used by an 'own admission authority school' within the borough, Ercall Wood Technology College. There are also 5 academies which use these admission criteria Telford Langley School, Telford Park School, Telford Priory School, Madeley Academy and Abraham Darby Academy.

The Governing Body of each of the following schools is the admission authority and is responsible for taking decisions on applications for admissions. The co-ordination of admission arrangements is undertaken by the Local Authority.

### **Abraham Darby Academy**

**Full details of the admissions policy for Abraham Darby Academy can be viewed on their website: <http://www.abrahamdarbyacademy.org.uk/>**

The Academy follows the same admissions policy as community secondary schools within the borough.

### **Admissions to Adams Grammar School**

**Boys only in Years 7-11:-**

Adams' Grammar School have amended their admission arrangements to give some priority to students living within the Newport attendance area.

Full details of the admissions policy for Adams Grammar School can be viewed on their website: [www.adamsgs.org.uk](http://www.adamsgs.org.uk)

Parents wishing to apply for a day or boarding place at Adams' Grammar School must indicate this preference on their own (home) Local Authority common application form. They will be asked to complete a registration form, obtainable from the school.

**The registration form, on its own, will not be regarded as a valid application. Parents must also complete and return a common application form to their**

## **home authority.**

### **Burton Borough School**

The school is a community school.

Full details of the admissions policy for Burton Borough School can be viewed on their website: [www.burtonborough.wrekin.sch.uk/](http://www.burtonborough.wrekin.sch.uk/).

### **Charlton School**

Full details of the admissions policy for Charlton School can be viewed on their website: <http://www.charlton.uk.com/page/?title=Admissions&pid=7>

Students who wish to transfer to Charlton mid-year please contact the Clerk to the Admissions Committee at the school or the Telford and Wrekin Schools Admissions Team for an 'In Year Application Form'. The form must then be returned to the Schools Admissions Team at Darby House. All applications will be co-ordinated by the Local Authority after consultation with Charlton School's Admissions Committee.

If the year group requested is oversubscribed, a waiting list is kept by the school and any places that become available will be allocated according to the criteria above. If a place is not given the parents have the right to appeal.

### **Ercall Wood Technology College**

Full details of the admissions policy for Ercall Wood Technology College can be viewed on their website: <http://www.ercall-online.co.uk/>

Ercall Wood Technology College follows the same admissions policy as community secondary schools within the borough.

### **Admissions Policy for the Hadley Learning Community**

Hadley Learning Community is a community school.

Full details of the admission policy can be viewed on their website: <http://hadleylearningcommunity.org.uk/>

If the secondary school within the Learning Community is oversubscribed the following priority order will be applied:

1. Those children who are in public care looked after by Telford & Wrekin or any other local authority and children who were 'previously looked after' and then;
2. Children who live within the school's defined attendance area.

If places are unavailable for all of these children then places will be given first to:

- a) Those children who have exceptional health reasons where there is written medical evidence that admission to the school is essential for their medical well-being, and then

b)those children who will have on the day of admission a brother(s), sister(s), step brother(s), step sister(s), half brother(s), half sister(s) living as a family at the same address and who attend the secondary school; and then

c) those children who have attended the primary school within the Learning Community for at least one academic year prior to the end of year 6;

d)other children living in the school's defined attendance area.

3 Any places which remain available will then be allocated to applicants from outside the school's defined attendance area in the priority order a) to c) above followed by:-

d)children of parents who are employees of the Hadley Learning Community

e)other children living outside the school's defined attendance area..

If there are insufficient places for all children in any of the above categories, places will be allocated on the basis of distance between a central point in the home and the middle of the school's forum as measured by straight line distance. The distance is measured using a computerised mapping system.

### **Admissions to Holy Trinity Academy**

Details of the admission arrangements for Holy Trinity Academy are included below:

## **HOLY TRINITY ACADEMY Admissions Policy**

***Holy Trinity Academy welcomes children from all backgrounds, faiths and no faith. The Sponsors of the Academy – the Catholic Diocese of Shrewsbury and the Anglican Diocese of Lichfield - are committed to developing an inclusive school that embraces both the Christian and the wider community of Telford and Wrekin, Shropshire and beyond.***

### ***Academy Ethos Statement***

Holy Trinity Academy is an inclusive faith-based school that serves the whole community of Telford & Wrekin, Shropshire and beyond. The Academy has a distinctive character and ethos, which reflects the teachings of Jesus Christ and Christian values and the principles of the Catholic and Anglican Churches. We ask all parents applying for a place here for their children to respect this ethos and its importance to the Academy community. We hope that all students who come to Holy Trinity will be able to participate (as appropriate) in the religious life of the Academy (including collective worship and religious education). This does not affect the right of parents to withdraw their children from collective worship and religious education and for those who are not Christians to apply for a place. Indeed, through our commitment to inclusivity, we actively welcome families from other faiths and no faith.

The Governing Body is responsible for the admission of students to Holy Trinity Academy and admits **150 students** to Year Seven each September.

Out of the 150 places, the Governing Body intends to allocate up to 90 “Foundation Places” (for baptised Catholics and practising members of the Anglican and other Christian Churches); and at least 60 “Open Places” for the whole community (with precedence given within this category to students who attend certain designated “feeder” primary schools).

### **Foundation Places**

The Governing Body has designated **up to 90 places** to be offered to pupils who are baptised Catholics and to pupils whose families are faithful and regular worshippers (see Note 1) in a Church of England Parish Church or other place of worship or other Christian Church affiliated to Churches Together in Britain and Ireland (CTBI) and/or the Evangelical Alliance. For baptised Catholics, a baptismal certificate will be required. For practising Anglicans or members of other Christian denominations, written evidence of applicants' commitment to their place of worship (in the form of the Holy Trinity Academy Supplementary Information Form) will be required at the time of application. If there are more than 90 applicants for Foundation Places, places will be allocated according to the following criteria. These are stated in order of priority:

- (i) Children in public care (looked after children) who are of Christian faith;
- (ii) Children with known medical or social or pastoral needs who have an exceptional need for a place at Holy Trinity Academy (see Note 4);
- (iii) Children who will have a sibling in the Academy at the time of application and at the time of admission (see Note 2);
- (iv) Baptised Catholic children from our designated Catholic Partner Primary Schools and from Catholic Primary Schools within the Catholic Deanery of Shropshire, as set out in Appendix A.
- (v) Baptised Catholic children from other Catholic Primary Schools.
- (vi) Baptised Catholic children from non-Catholic Primary Schools
- (vii) Children whose families are faithful and regular worshippers in a Church of England Parish Church or other place of worship or other Christian Church and who have attended one of the designated Church of England Partner Primary Schools, as set out in Appendix A;
- (viii) Children whose families are faithful and regular worshippers in a Church of England Parish Church or other place of worship or other Christian Church;

In the event that two or more applicants have equal right to a place under criteria (ii) – (viii) above, the Governing Body will use as a “tie-break” the nearness of the home to the Academy, measured in a straight line from a central point of the home to a central point of the academy. (see Note 3).]

If there are fewer than 90 qualified applicants for Foundation places, any unfilled places will become additional Open places. All applicants for Foundation places will also be considered for Open places, and if they are successful in gaining a Foundation place, their name will be removed from the list of Open candidates.

## Open Places

The Governing Body has designated **at least 60 places** each year as Open places, to be offered to pupils who do not qualify for a Foundation Place, but whose parents have chosen the Academy.

If there are more applicants than the available number of Open Places, places will be allocated according to the following criteria. These are stated in order of priority:

- (i) Children in public care (looked after children or previously looked after children);
- (ii) Children with known medical or social or pastoral needs who have an exceptional need for a place at Holy Trinity Academy (see Note 4);
- (iii) Children who will have a sibling in the Academy at the time of application and at the time of admission (see Note 2);
- (iv) Children who have attended one of the designated Partner Primary schools set out in Appendix A. **NB** This applies to all these schools, whether Catholic, Church of England or other Partner Primary schools;
- (v) Children who live within the primary attendance areas of Priorslee Primary Academy, Redhill Primary School or St George's Primary School;
- (vi) All other children.

In the event that two or more applicants have equal right to a place under criteria (ii)-(vi) above, the Governing Body will use the distance criterion (see above) as a tie-break.

## Casual Admissions/In Year Applications

In respect of applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child. If more applications are received than there are places available, the oversubscription criteria shall apply. Parents whose application is turned down are entitled to appeal. Families will be notified of the decision within 15 days of receipt of application.

Further information may be obtained from:  
The Admissions Secretary, Holy Trinity Academy,  
<http://holytrinity.academy/>

The Local Authority co-ordinates the in-year application process.

## NOTES

1. *Applications on faith grounds*

Parents of baptised Catholic children must submit the Baptismal Certificate to the Academy.

“Faithful and regular worshipper” is defined as worshipping at least twice a month for two years prior to application.

**All** parents applying for a place on faith grounds (as set out in the Foundation Place criteria above) must complete the Supplementary Information Form (which can be obtained from The Holy Trinity Academy Admissions Officer, (address to follow) from the Local Authority) and return this form direct to the Academy Admissions Officer at Holy Trinity Academy

In the context of faith-based applications, “family” includes parents (or carers) and siblings. It does not include grandparents or other members of the extended family.

## 2. *Siblings*

“Sibling” refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

## 3. *Distance*

Distance will be measured using a straight line using the Local Authority’s computerised measuring system.

## 4. *Medical or social or pastoral needs*

Any application based on medical or social or pastoral needs must be supported by (an) appropriate professional reference(s), e.g. doctor, social worker, educational psychologist, priest or faith leader. Applicants should be able to demonstrate why Holy Trinity Academy is the most suitable school and the difficulties that would be caused if the child had to attend another school.

## 5. *Waiting Lists*

Waiting lists will be held where in any year the school receives more applications for places than there are places available. Waiting lists will be held for each of the two admission categories (Foundation and Open places). The waiting list will operate until 31<sup>st</sup> December in the year of admission. It will be open to any parent to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application.

Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. Priority will be given first to Foundation place applicants, then to Open place applicants (except that any children in public care will always be given absolute priority for a place).

## 6. *Appeals*

Parents who are not offered a place for their child have the right to appeal to an independent appeal panel. Parents wishing to appeal should obtain an appeal form from the Academy and return this. The form/letter should be sent to reach the Clerk to the Appeal panel, c/o Holy Trinity Academy, within 20 school days of the date of the letter confirming the governors' decision not to offer a place. Should some appeals be unsuccessful, the governing body will not consider further applications from those parents within the same academic year unless there have been significant and material changes in their circumstances.

#### *7. Multiple-birth applications*

Where parent(s)/guardian(s) are seeking to place twins, triplets etc, they must submit separate applications for each child. When considering twins, triplets or larger number of siblings, which are the product of a multiple birth, where there are insufficient spaces for all siblings, the Academy will exceed its admission number so that same family twins, triplets etc do not have to attend separate schools.

#### *8. General*

Admissions to the School will be co-ordinated through the Local Authority's Co-ordinated Scheme and its timetable.

This Policy will be reviewed on a regular basis in line with the timetable in the Academy admissions annex, the School Admissions Code and statutory requirements.

#### *9. Fraudulent Applications*

The Governing Body reserves the right to withdraw the offer of a school place where false evidence is received in relation to baptism, church membership, sibling connection or place of residence.

### **In Year Fair Access Protocol**

The local authority has developed, with its Headteachers, an in-year fair access protocol (FAP) to ensure that access to education is secured quickly for children who have no school place, and to ensure that all schools in an area admit their fair share of children with challenging behaviour.

The main principles are:

- That all maintained schools and academies must participate.
- Schools and academies will continue to admit the large majority of pupils who apply for an available place under normal admission arrangements.
- A panel composed of Headteachers and LA officers will meet approximately every 3 weeks to consider cases referred to it and make recommendations.
- Arrangements for admission through the protocol will be outside the normal operation of the admissions policy and oversubscription will not be regarded as a reason not to admit a pupil.
- Pupils referred to a school or academy via the in-year fair access panel will take priority over any other children on a waiting list for a place.
- Parents will still have a right to appeal to an independent panel for their preferred school, but information will be given to that panel if a more appropriate school has already been identified for that pupil under the terms of the protocol.

**The timetable for co-ordinated admission arrangements (secondary) in 2017-2018 is to be as follows**

**2016**

- March 2016** Letters sent to Year 5 pupils within Telford & Wrekin regarding the application procedure for the selective schools.  
Open days for selective schools (Adams Grammar, Newport Girls High School).
- 5 June 2016** Deadline for registration for testing for selective schools.
- 1 July 2016** Entrance test date for selective schools.

**August 2016** The LA informs its neighbouring authorities of pupils attending a Telford & Wrekin school but resident in a neighbouring LA.

**Early Sept 2016** Schools distribute admissions information to all Year 6 pupils resident within the borough.  
Selective schools share information regarding test results.

**Mid September** Secondary schools hold open days and/or evenings for  
**To Mid October** year 6 pupils and their parents.

**31 October** National closing date for receipt of LA common application forms.

**21 November** LA sends lists of applicants to own admission authorities and other LAs for consideration.

**2017**

**11 January** Own admission authorities inform LA of pupils who can be offered places.

**16 January** First exchange of results between neighbouring LAs.

**23 January** Provisional offers exchanged between LAs.

**23 January** Last date for changes of address or preference to be taken into account at allocation for those with exceptional circumstances.

**6 February** Second cycle of results shared between LAs.

**13 February** Final offers exchanged between LAs.

**21 February** All Telford & Wrekin secondary schools informed of allocations.

**28 February** Offer letters sent out to the parents of children

resident within the borough second class.

**By 17 March** Parents should accept or reject the place offered. Unsuccessful applicants can request a review of their allocation. At this point late applicants who could not be considered in the initial allocation can also be included.

**By 24 March** Results of the review process to be notified to parents or guardians.

**7 April** Deadline for return of appeal forms for initial scheduling. .

**May/June** Appeals to take place.

### **Late Applications**

The closing date for applications is the 31 October 2016. We will ensure that all applications received by this date will receive consideration under the co-ordinated scheme.

If an application is late for a good reason e.g. where a single parent has been ill for some time, or the family has just moved into the area, this should be explained on the application.

Applications received after 31 October 2016 but before 23 January 2017, with good reason for lateness, will be processed. For example, those where there has been a change of circumstances such as a house move.

If applications are received after 23 January 2017 those applicants will not have an allocation letter posted on 1 March. Their preferences will, however, be considered at the review stage.

If the LA is not able to meet any of the preferences expressed then a place will be allocated at the catchment school for the home address or, if a place is not available there, at the nearest school to the applicant's home address with places available.

### **Independent Appeals**

Parents who are still dissatisfied after having requested a review of their allocation will have a right of appeal to an independent appeal panel.

### **Waiting Lists**

For over-subscribed Community and Voluntary Controlled Schools a waiting list system will be operated by the admissions team. Own admission authorities operate their own waiting lists.

Any places becoming available will be allocated according to the published over-subscription criteria.

A child's name will normally be kept on the list until the last week of the academic year 2017-2018. After that the list will be disbanded.

### **In-year admissions and transfer between schools within Telford & Wrekin**

There is no requirement for local authorities to co-ordinate in-year applications for the offer year 2016/17 however, Telford & Wrekin's policy covering in-year admissions is set out at the end of this document and is available from Telford & Wrekin school admissions team.

### **Fraudulent or Misleading Information**

All applicants must give accurate information about the genuine residential address of the child. If a family own a property and move to live with a relation in order to create an in-area address, the substantive home address will be used for allocation purposes and not that of the relation. Trial separation in order to create an in-area address will also not be accepted as proof of a permanent residence. Addresses are checked as part of the allocation procedure. In the event of a discrepancy the parents/carers will be required to provide written evidence that the address is genuine, by producing at least two utility bills. Where a house move is made applicants will be required to produce a letter from their solicitor confirming exchange of contracts or provide a copy of a signed tenancy agreement. Short-term tenancy agreements in order to create in-area status will not be acceptable where the substantive parental address has not been sold

Where any information regarding the child's home address is found to be fraudulent or misleading the LA has the right to withdraw the offer of a school place even if the child has already been admitted to the school.

## **Determined Co-ordinated Scheme for Admissions to Primary Schools in Telford & Wrekin for 2017-2018**

All children within Telford & Wrekin are entitled to start school in the term after their 4<sup>th</sup> birthday. Parents may defer entry to school until later in the academic year or until a child reaches compulsory school age (the beginning of the term after their 5<sup>th</sup> birthday), or may request for their child to attend part-time. Where summer-born children defer entry until September they will have to re-apply for a place in the following year's admission round.

An application must be made to transfer from a nursery class to primary school even within the same campus; there is no automatic allocation of a place.

The scheme is designed to ensure that all children applying for Reception places in infant and primary schools and Year 3 places in junior schools receive only one offer of a place in a Telford & Wrekin School.

All primary school applications for entry in September 2017 are being co-ordinated across Local Authority boundaries.

Parents of children within the relevant age group and living within Telford & Wrekin should complete the Telford & Wrekin common application form to apply for any primary or infant school within the borough or any neighbouring borough

There is a separate form on which to apply for a place when transferring from an infant to a junior school.

In both cases parents are invited to express up to 3 preferences, in ranked order.

Telford & Wrekin Council operates an equal preference scheme within the primary phase.

Some Own Admission Authority Schools require additional information from parents to operate their admissions criteria. Forms seeking this supplementary information will be sent out by individual schools and should be returned direct to the school concerned.

Completed common application forms should be returned to the LA Admissions Team by 15 January 2017.

Applications will then be considered and in the case of oversubscribed schools the following criteria will be applied for all Community and Voluntary Controlled schools.

1. Looked After Children, and previously Looked After Children and then
2. Children who live in the school's defined attendance area.

If places are unavailable for all of these local children, then places will be given first to:

- a) those children who have exceptional health reasons where there is written medical evidence that admission to the school is essential for their medical well being; and then

- b) those children who will have on the day of admission a brother(s), sister(s), step brother(s), step sister(s), half brother(s) or half sister(s) living as a family at the same address and who attend the school; and then
  - c) other children living in the school's attendance area.
3. Any places which remain available will then be allocated to applicants from outside the school's defined attendance area in the priority order a) to c) as detailed above.

If there are insufficient places for all children in any one category, places will be allocated on the basis of the distance between a central point in the home and a central point within the school as measured by straight line distance with those children closest having priority. Distances are measured using the Council's computerised mapping system. Please note that at Hadley Learning Community Primary Phase there is an additional criterion for out of area applicants 3b2 – Children whose parents are employed by Hadley learning Community. ( For further information please contact the school.) If there are a limited number of places available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats or who are the result of a multiple birth, then the child(ren) who will be offered the available place(s) will be determined randomly by the drawing of lots.

The following definitions apply in the case of Looked After Children, previously Looked After children and home address. These definitions also apply for all own admission authority schools within the borough of Telford & Wrekin unless stated otherwise in their individual policies.

1. Looked After Children are those children who are subject of a court order and the local authority share parental responsibility with the natural parents, or others who hold parental responsibility; and children who are looked after by the local authority under a voluntary agreement with the parents. Looked after children also include those children who were 'previously looked after' but ceased to be so because they were adopted under the terms of the Adoption and Children Act 2002 (or became subject to a residence order or special guardianship order).

A child's home address will be the normal residence of the parent(s) or legal guardian(s) who has care of the child. Where a child lives with parents with shared responsibility, each for part of the week, the home address will be considered to be the address of the parent where the child spends most time. If time is spent equally between the two parents, the home address will normally be taken to be the address registered to receive child benefit in respect of the child. In the event of shared care parents must opt to use one address for all the preferences expressed.

**Lilleshall and Muxton Primary Schools have had a shared attendance area since September 2002.**

If one of these schools is oversubscribed from within the shared area the places will be allocated up to the admission number in accordance with the priority order 1 to 2c) above.

Any parents living in the shared area who cannot be offered a place at their preferred school will then be considered for a place at the other school in the shared area, if that is their second preference.

Once all applicants from within the shared area to both schools have been considered, any remaining places at either school will be allocated to out of area applicants in accordance with the priority order.

**At St Peter's CE Primary School, Bratton** slightly different rules apply; if there are more applications for places than places available, places will be allocated up to the admission number in the following priority order:

1. Those children who are in public care looked after by Telford & Wrekin or any other local authority and children who were 'looked after' but ceased to be so because they were adopted; and then
2. Children who live in the school's defined attendance area.

If places are unavailable for all those local children, then places will be given first to:

- a) Those children who have exceptional health reasons where there is written medical evidence that admission to the school is essential for their medical well being; and then
- b) those children in the attendance area who will have the day of admission a brother(s) or sister(s), stepbrother(s), stepsister(s), half brother(s) or half sister(s) living as a family at the same address and who attend the school; and then
- c) those children who live in the rural part of the attendance area outside the Telford boundary i.e. part of the civil parishes of Wrockwardine and Eyton-upon-the-Weald-Moors (including Allscott, Eyton-upon-the-Weald-Moors, Rushmoor, Walcott and Wrockwardine); and then
- d) other children in the attendance area .
- e) Any places which remain available will then be allocated to applicants from outside the school's defined attendance area in the priority order 2a), b), c), d) as with other Community or Voluntary Controlled Infant or Primary Schools.

If there are insufficient places for all children in any one category, places will be allocated on the basis of the distance between a central point in the home and a central point in the school as measured by straight line distance with those children closest to the school having priority.

Distances are measured using the Borough's computerised mapping system.

Part of St Peter's attendance area is now shared with Dothill Primary School.

If one of these schools is oversubscribed from within the shared area the places will be allocated up to the admission number in accordance with the priority order 1 to 2d) above.

Any parents living in the shared area who cannot be offered a place at their preferred school will then be considered for a place at the other school in the shared area if that is their second preference.

Once all applicants from within the shared area to both schools have been considered, any remaining places at either school will be allocated to out of area applicants in accordance with the priority order.

Part of **Hadley Learning Community Primary School's** attendance area is shared with **Teagues Bridge Primary School**. If one of these schools is oversubscribed with in-area applications the places will be allocated up to the admission number in accordance with the priority order 1 to 2c) as for Lilleshall and Muxton Primary Schools.

Any parents living in the shared area who cannot be offered a place at their preferred school will then be considered for a place at the other school in the shared area, if that is their second preference.

Once all applicants from within the shared area to both schools have been considered, any remaining places at either school will be allocated to out of area applicants in Any applicant from within the shared area will be considered in accordance with the priority order.

**At Coalbrookdale & Ironbridge CE (Aided) Primary School** when the number of applications exceeds the number of places available, priority for admission will be given to:

1. Children in public care.
2. Those who live within the boundaries of the ecclesiastical parishes of Ironbridge, Coalbrookdale, Little Wenlock, and that part of the ecclesiastical parish of Benthall that lies within the Borough of Telford & Wrekin.
3. Those having brothers or sisters at the school on the day of admission. This criterion will apply not only to natural brothers and sisters but also to stepbrothers, stepsisters and children legally adopted. Applications for children of partners or children being fostered at the same home address as a child already at the school will be considered in special circumstances in order to maintain daily family life.
4. Those who are at the heart of Ironbridge, Coalbrookdale or Little Wenlock Churches (regular members of the congregation).
5. Those who are at the heart of a Christian Church elsewhere (regular members of the congregation). Such a church should be a member of Telford Christian Council, Churches Together in England or The Evangelical Alliance.
6. Those who live outside the ecclesiastical parish boundaries but would like their children to be educated at this faith-based school.

Children will be admitted to the school in the order set out in the list 1 to 6 above. In each category, first priority will be given to those having specific health reasons where there is written medical evidence that admission to this school is essential to the medical well-being of the child. This will continue until such time as the

number in the year group reaches the admission number of 30 (KS1) or 32 (KS2). Due to Government Regulations, class sizes in Key Stage 1 may not exceed 30 pupils.

If admission requests exceed the places available in any category, priority for admission will be given to requests that include subsequent categories. The shortest distance from the school, in a straight line, as measured by the Geographical Information System, will be the final deciding factor.

Children will be eligible to start school full time in the Reception Class at the beginning of the Autumn Term following their fourth birthday.

Confirmation of places in the Reception Class will be given during April of the academic year before the children are due for admission. Applications for Reception admission after the Governors' Admission Committee meet will normally be refused unless the admission limit has not been reached.

All decisions on admission will be made by the Admissions Committee of the school's governing body.

Any appeal against refusal of admission is to be made to an independent appeals committee organised by the Local Authority (Telford & Wrekin Council, Darby House, Telford TF3 4JA).

Children who attend Coalbrookdale and Ironbridge C.E. School will take a full part in the religious life (religious education, assemblies etc.) of the school unless exempted by the governors.

Information is available on <http://www.coalbrookdaleschool.org.uk/admissions.php>

**At Dawley CE (Aided) Primary School** when there are too few places the following criteria will determine the allocation of places.

4<sup>th</sup> priority. Children who are themselves, or whose families are, faithful and regular worshippers of another Christian denomination ( as recognised by Churches Together in Britain and Ireland and/or the Evangelical Alliance). 7<sup>th</sup> priority Any remaining places will be given in order of nearness of the home to the school, measured using the LA computerised measuring system.

In the event that two or more applicants have an equal right to a place under any of the above criteria, the governing body will apply the subsequent criteria, in order of priority, to these applicants.

Applications on faith grounds

“Faithful and regular worshipper” is defined as worshipping at least twice a month for a period of two years prior to application. Parents applying on faith grounds must complete the supplementary Information Form ( which can be obtained from the school) and return this form directly to the school, signed by an appropriate faith leader.

The closing date for the return of the return of LA common application form is the 15 January 2017. We will ensure that all applications received by this date will receive due consideration under the co-ordinated scheme.

If a preference form is submitted late for a good reason e.g. where a single parent has been ill for some time, or the family has just moved into the area, this should be explained on the form.

Between 15 January and 24 February 2017 late applications and changes of preference will only be accepted where there is good reason, such as a house move or the severe illness of a parent. Some proof will be required.

If there is no exceptional reason for a late application then your request will not be able to be considered at the initial allocation stage.

All applications and changes of preference received after 24 February 2017 will not be considered until the Review stage and families applying after this date will not therefore receive an allocation letter posted on 16 April.

### **Independent Appeals**

Parents who are still dissatisfied after having requested a review of their allocation will have a right of appeal to an independent appeal panel.

### **Waiting Lists**

For over-subscribed Community and Voluntary Controlled Schools a waiting list system will be operated by the LA admissions team. Voluntary Aided and Foundation Schools operate their own waiting lists.

Any places becoming available will be allocated according to the published over-subscription criteria.

A child's name will normally be kept on the list until the end of the academic year in which he/she is due to start school. After that the list will be disbanded

### **Determined scheme for in-year admissions 2017/18**

There is no requirement for local authorities to co-ordinate in-year applications for the offer year 2017/18. Telford & Wrekin School Admission Team will, however, co-ordinate all admissions into all maintained schools in the borough, including all voluntary aided, foundation, trust and academy schools for the academic year

2017/18 in respect of places required other than at the normal point of entry.

Telford & Wrekin Council is the relevant admissions authority for all community and voluntary controlled schools within the borough.

The individual school governing body is the relevant admissions authority for foundation, voluntary aided, trust or academy schools.

### The In-Year Admissions Scheme

This scheme applies to applications made by parents for schools at points other than the normal age of entry.

The purpose of the scheme is to ensure, so far as is reasonably practicable, each parent/carer who applies for a school place during the course of an academic year receives only one single offer of a school place at a maintained school within the borough. It is also intended to ensure that children can be safeguarded as they move between schools.

Parents must complete a Telford & Wrekin In-Year Admission form to apply for any school within Telford & Wrekin.

The In-Year application form can be obtained from any of the following sources

- Child's current T&W school
- T&W school being applied for
- Family Connect 01952 385385
- Telford & Wrekin School Admissions Team 01952 380901/03/04
- From the Telford & Wrekin Council website: [www.telford.gov.uk/admissions](http://www.telford.gov.uk/admissions)

The application form will allow parents to apply for schools of their preference, and to provide their name and address, and the name, address and date of birth of their child and also to include any documentary evidence in support of their application. The form will also allow parents to rank schools in order of preference and give reasons for those preferences. Parents will have to name all schools for which they wish their child to be considered on the form.

Where the application is for a school for which the governing body are the admission authority, the details of the application will be forwarded to the school together with any supporting information supplied by the parent. The Governing bodies of some foundation, voluntary aided, trust or academy school may require parents applying also to complete a supplementary information form to collect additional information needed to operate their own admissions policy.

Parents do not have to provide supplementary information unless it is required to enable the Governing Body to apply the school's oversubscription criteria.

A supplementary form is not on its own regarded as a valid application for a school. An In-Year Application form must also be completed.

The School Admissions Team may undertake to verify address details and for any family moving house, to request proof of exchange of contracts or a tenancy agreement (where the families previous house has been sold or another tenancy agreement has come to an end).

All applications received by the Schools Admissions Team will be looked at to determine whether or not they meet the criteria for consideration under the Borough's Fair Access Protocol. A copy of this protocol is available on the Council website.

Where preferences are expressed on the application form for community or voluntary controlled schools for which the Council is the admissions authority the admissions team will assess the application against the council's admissions policy to see if a place can be offered within 10 days of the application being received.

Where preferences are expressed on the application form for schools who are their own admissions the Admissions team will forward the application together with any supporting information to the relevant admission authority.

The Governing Bodies of Foundation, Voluntary Aided, Trust or Academy Schools will be responsible for applying their own oversubscription criteria and determining whether or not a place can be offered to the applicant. They will communicate their decision to the Schools Admissions team within 10 days of the application being received.

Where a space exists within any year group, all admission authorities, including Voluntary Aided, Foundation and Trust Schools and Academies are required to offer a place. In this instance it will not normally be necessary to convene an Admissions committee.

Where an application is received for a year group in which no places exist, or there are more applicants than the number of places available then the Admissions committee would be required to meet. Admissions authorities are therefore recommended to schedule regular meetings of their admission committees in order to process applications as quickly as possible.

Once the school's admission number has been reached a school should not normally admit above that published number unless the school and the Local Authority agree that an additional admission will not adversely affect the school in the longer term and will not have a detrimental affect upon neighbouring schools. In some circumstances, for example, a request to admit a child who is looked after by a local authority, Telford & Wrekin would support an admission above the published admission number.

The School Admissions Team will compare the results received for each of the school preferences expressed by the parents.

Where a child can be offered a place at more than one of the preferred schools the Admissions Team will allocate a place at the parent's highest ranked preference school.

Where the Admissions Team determines that a place should or should not be offered at a school for whom the governing body is the admissions authority then the governing body will be notified of that decision.

The Admissions Team will notify parents living in Telford & Wrekin of the outcome of their application within 15 days of the application being received wherever possible.

Offers of places being made to Telford & Wrekin children on behalf of a Voluntary Aided, Foundation, Trust or Academy School or a maintained school in another Local Authority will be sent by Telford & Wrekin Council on behalf of the relevant admission authority.

Where a Telford & Wrekin child cannot be offered a place at any of the schools requested and is not already on the roll of another school within a reasonable distance of their home address an alternative school will be offered.

Parents will be expected to respond to any offer of a school place made within 10 days of notification.

Where a place has been offered at a Telford & Wrekin School we would expect it to be taken up within 6 weeks of the offer being made and accepted, otherwise the offer will be withdrawn. Places are not normally held open for more than half a term or allocated more than half a term in advance for in-year admissions.

Where refusals are made for Telford & Wrekin schools parents will be given information about the appeals process.

Where refusals are made on behalf of other admissions authorities' details about their appeals processes will be passed on.

Telford & Wrekin Council operates a waiting list system for oversubscribed community or voluntary controlled schools. Details on how the lists will be set up and kept are provided within the school's admissions policies.

Voluntary Aided, Foundation, Trust and Academy schools are responsible for deciding whether to operate a waiting list for in-year admissions and how it will operate.

Waiting lists will be operated according to the procedures laid down in the School Admissions Code and should be kept in order of the admissions criteria and not on other considerations such as on what date the application was received.
