Keeping our children safe

Our school council will have their first meeting next week, and one of their responsibilities will be to talk to their classes about how we keep ourselves safe at school and beyond. If you follow us on twitter, you will also notice that really useful parent tips about e-safety are posted regularly. The latest leaflet was about how the stay safe using You-tube. I have also put this on the website, in School Information—Keeping our children safe.

Safeguarding our children is our priority—and that includes ensuring that they go home safely, following school rules such as not climbing on gates or walls, or playing on school equipment. Please help us to keep your children safe.

Please bring into school on or before **Friday 14th October**. Simple prizes such as the larger tubes of sweets currently available, or small selection boxes, Halloween themed sweets or small gifts would be great.
