Being Resourceful

This half term we are focusing on how the children are resourceful in their learning—how they apply their skills and draw upon other learning and knowledge to help them.

Well done this week to our certificate winners:

I can ask thoughtful questions:

Oliver Cooke, Freddie Davies, Charlotte Harris, Caden Precey

I can think about what I already know to help my learning.

Finley Thompson, Grace Wickett, Reuben Carvell-Shepherd, Aman Thiara, Matilda Morris

I can choose equipment to help with my learning.

Evan Simper, Abigail Sellwood, Grace McCormick, Elsie Jordan, Imogen Morris, Chloe Hearn

I can use what I know from other sources to help me.

Sebastian Baker, Matilda Smith, Ben Cain, Jake Crawford, Amelia Childs

Well done to our brilliant readers

Reading Champions this week are: Cecilia Shepherd, Finley Thompson, Shea French, Libby Fearn, Abigail Sellwood

School Christmas Cards

Just before half term you will have received a pack containing your child's Christmas Card design plus a letter and order form. I know some of you have been online to try and order the cards. Unfortunately the company (APFS) have been having major computer problems regarding the online ordering. So far they have restricted our schools access but as of yesterday they have confirmed that we will need to return to the paper ordering option. So basically it will now proceed exactly the same as last year.

New order forms are being issued to school. Therefore a covering letter and a new order form will be sent home with your child as soon as we receive the forms.

Payment will now be made by cheque or cash. Mrs Precey will collate all the orders, payments and artwork at school.

Originally we set a deadline of the 11th November but this will now be extended to Wed 16th November.

We would like to offer apologies for the change of plan, but can confirm that APFS are committed to ensuring your children's artworks are produced. If anyone has any questions please contact Lucy Precey on 07970 916818. Lucy has done a brilliant job of organising the cards on FHEPS behalf, and it is unfortunate that the company were not able to set up an IT based system which could cope with demand. I hope that you will still order cards or tags or wrapping paper to generate some school funds.

As usual we are selling poppies in school. All the pencils and other items have now gone, but it would be great if we could sell all the poppies at 50p. We will be having our special Remembrance Service for the children on Friday in school.

School Council Minutes:

We met in school with Mrs Roberts this week and voted to decide upon which charities we would support this year. The charities are: National Deaf Children's Society and Guide Dogs for the Blind. We will also be supporting Comic Relief which is on 24th March 2017. We also talk each meeting about how we keep safe in school. This term we are looking at our playground rules. We have also talked about our school motto: 'High Expectations, High Ercall' and how we can promote this across the school community.

Ethan, Izzy, Libby, Daisy, Oli, Max, Emma, Isobel, Harry and Daisy

Well done to our second group of cyclists from Class 5, who were great in their bikeability training this week.
