End of half term achievements

As the first half term draws to a close (where did that go?!), we like to celebrate the achievements of individual pupils across all the classes. This could be aspects of learning, or linked to our 5Rs or a small but significant and personal achievement.

Well done to the following children:

Class 5: Abigail Sellwood, Darcey Line, Gemma Ridgway, Jay Jones, Samuel Dowley

Class 4: Ben Cain, Mia Overy, Reuben Carvell-Shepherd, Lucia Schrijver-Maydew, Grace McCormick

Class 3: Chloe Hearn, Jason Roberts, Shea French, Ben Turner, Emily Martin

Class 2: Eleanor Harper-Jones, Finley Thompson, Isobelle Perks, Jack Overall, Oliver Cooke

Class 1: Harry Burrows, Callum Baker, Cecilia Shepherd, Mollie Clorley, Elsie Jordan

It's been a great first half term—have a great half term holiday, and have a rest (especially for our Reception children as the first half term is always hard!). We look forward to seeing you all on Monday 31st October.

Fundraising for school

Many thanks to all who attended our Family bingo last night! It was a great evening and well attended. Thank you to FHEPS for organising the event, and to everyone who donated prizes.

You will have also received your child's Christmas card design which they completed in school last week. If you decide to complete a different design at home, or a family design, then that's fine. There are details on the letter on the back of the design about how to order. The design then needs to be back in school by 11th November in order that we can send the designs which will match your order.

'Pop in Maths'

It was great to see so many parents after school on Tuesday this week. Your child should have come home with the leaflet for their medal maths challenge tonight. The leaflets are also on the website for you to access in school life—homework.

Spelling Focus Words

It's great to see in school the children practising their focus words, and looking for times when they are using it in their writing. I hope that they are managing to practise at home and talk to you about it.

Musical talent!

We had a lovely performance from Music Club with Mr Woolley in assembly today, and from Alice and Hamish, who both learn instruments. If your child would like to join our music club on a Tuesday, there are spaces. If your child would like to learn an instrument, contact Clive Rainbow (guitar, keyboard) clive.rainbow@gmail.com or Jenny Bill (flute, saxophone, clarinet) jenny.bill@blueyonder.co.uk. Or ask at the office.

Football Stars!

Well done to our newly formed girls football team, who played in their first match last Friday against a far more experienced team from Grange Park. They played really well, and enjoyed the match. More to follow!
