

This is High Ercall Primary School Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work,

and this publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Website and Prospectus – statutory and non-statutory documents and school items

Governors' Documents – information published in the Governors Annual Report and in other governing body documents.

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school - information about policies that relate to the school in general.

4. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below.

If the information you’re looking for isn’t available via the scheme, you can still contact the school to ask if we have it.

5. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don’t have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.

7 Making/Processing a Request under FOIA

The school is aware of its obligations in relation to the FOIA and intends to fulfil its legal obligations.

Requests for information have to be in writing (letter, email, social media posting) and must include the name of the person requesting information, an address for correspondence and a description of the information sought. Requests should be sent to:

Head Teacher, High Ercall Primary School, Church road, High Ercall, TF6 6AF

Alternatively requests can be e-mailed to: H2051@taw.gov.uk

Once we receive your request we may seek more details from you to establish what information you are requesting.

If we do not hold the information you have requested we will confirm this to you and, wherever possible, provide contact details for other public sector bodies that may hold the information you have requested in our response letter.

If we do hold the information you have requested then we have to assess this to see if any of the exemptions detailed in the FOIA apply, e.g. if by releasing the information requested we would cause a serious health and safety issue we would apply exemption (section) 38 and not provide you with the information. Exemptions can either be 'Absolute' or 'Qualified'. If an exemption is qualified then we will apply the Public Interest Test to decide if the application of the exemption should be overruled due to public interest.

A requester will receive a response to their request within 20 working days of the day we receive it (if it is received after 3.30 pm then it will be 20 working days from the next working day), regardless of whether we do or do not hold the information. In exceptional circumstances we may not be able to meet the 20 working day deadline, if this is the case we will contact you to let you know when we hope to send the information requested to you.

We will not provide assistance to applicants whose requests are seen to be vexatious or repeated as defined in section 14 of the FOIA. In deciding if a request is either a vexatious or repeated request we will consider guidance from the Information Commissioner's Office.

Right of Appeal - In the response the requester receives they will be given details on how to appeal if they are not satisfied with the information we have/have not supplied. The appeal will be processed by a person independent to the original response process.

Fees/Charges - We are allowed to recover the costs of printing, copying and postage and packing. If we require a fee to be paid then a fees notice will be sent to the requester. If the fees notice has been sent and the requester is not prepared to pay the fee, we may:

- consider whether any information that may be of interest is available free of charge, or;
- consider providing an indication of what, if any, information could be provided without a fee being payable, or;
- consider advising the requester that by refining the request, information may be able to be supplied for a lower fee or at no charge.

The school will provide advice and assistance to people making requests for information. Advice and guidance maybe sought from the Head Teacher using the previously stated contact details.

7. Feedback and Complaints

We welcome any comments or suggestions you may have about the scheme. If you want to make any comments about this publication scheme or if you require further assistance or wish to make a complaint then initially this should be addressed: Mrs S Roberts. Headteacher.

If you are not satisfied with the assistance that you get or if we have not been able to resolve your complaint and you feel that a formal complaint needs to be made then this should be addressed to the Information Commissioner's Office.
