What's been going on this week?

Budding scientists in Class 5— finding out about light and reflectivity.

Class 3 have also been investigating light, looking at shadows and making puppets.

Year 6 children—secondary applications

Please do NOT miss the deadline for your secondary applications. The final date for online submission is in half term, on 31st October. Our advice would be to do one as soon as possible but at least 1 day before this deadline.

Harvest Festival—Monday 23rd October

We will be holding our Harvest Festival in the church on Monday next week. The church will be open from about 1.30pm for parents and carers. Please be aware that it is always quite full in the church, the children take up quite a few pews so often there is standing room only!

Please could you send in with your child, in the morning, a harvest festival donation. This could be a hamper style box or simply a bag with a few tins or packets. Items brought in are sold at the village Harvest Supper on Monday night—which raises money for the church but also a local charity. Last year this was Severn Hospice.

It is always important to school that we are part of community events, and that we help to raise money within our community.

We look forward to seeing you in the church and sharing our songs and poems. After the service, which is usually about half an hour, the children and staff come back to school as usual for the end of the day. Please let us know if you want to cancel your child off the bus that evening or from a club.

School sports

We took a group of children from Year 2 to a multi-skills event this week. They had a lovely time and, as always, were brilliantly behaved.

Please note that it is our aim that all children attend an event in KS1 and in KS2. Numbers are limited by the Schools Sports Partnership, which organises all the events that we attend. Children are not selected based on ability in that event, and it is possible that we cannot send a whole year group or class at a time.

Mrs Jordan works hard to organise the events and it is important to us that we give all children an opportunity, if we can.
