**What's been going on?**

We were lucky at the end of last week to get a visit from some ducklings hatched in the nursery!

Years 5 and 6 have had a theatre group and workshop this week—with fun but also some important messages about keeping safe both online and in relationships with others.

It's been lovely to get outside in the sun in the last 2 weeks! Great for PE, art and all sorts of aspects of the curriculum—science, art, maths!

Some lovely art from Year 1 too—with a focus on birds.

**Fundraising**

There's a couple of new dates in the diary—which have been requested by the children as they would like to make the learning lab a nicer area to be in over the summer term, and Class 1 are looking forward to an improved outside area.

**Easter disco—Thursday 3rd April 5.30 to 7.00pm**

**Sponsored Hop / Skip—Friday 28th March.**

The children will bring home a sponsor form, and if they can possibly collect a couple of sponsors hopefully we will make a little bit of money to improve our target areas.

## 5R Stars!

Our 5R Stars for this week are:

-  **Class 1: Grace—being responsible**
-  **Class 2: Ellie-Mae—being resilient**
-  **Class 3: George—being reflective**
-  **Class 4: Tilly—being resilient and reflective**
-  **Class 5: Nate—being resilient**

**School dinners**

It seems we may have had an IT glitch at some point last term with an email that was sent out—but if you were not aware, school dinners have increased in cost to £2.90. This is not a decision taken by school, or by our kitchen but by Telford and Wrekin catering to reflect increasing food costs.

**Parent conversations**

Just a polite reminder that the bookings for Parent Conversations are still open—so please do book on for your child / children.

As usual books will also be out so that you can see all their lovely learning from this term—there is lots to see!

We look forward to seeing you—not next week, it's the week after!
