What's been going on?

Class 5 have been practising their debating skills this week. Great to see some active speaking and listening tasks across school.

Class 1 have been busy learning about animals in Science. Some lovely drawings!

Class 4 are enjoying their Geography about energy.

Friday 23rd May	Break up for half term
Monday 2nd June	Return from half term
Friday 18th July	Last day of the school term

Fundraising

The children brought home a sponsor form this week, and one was also sent via email, for our 'Sponsored Hop and Skip' which will take place next Friday.

Please could you try to gather a couple of sponsors, so that we can raise money to improve our outside areas—including the learning lab and the C1 outside area.

If the children would like, they can bring bunny ears too! Hopefully we'll get some more of this lovely spring weather!

Summer term extended schools

The new bookings for clubs for the summer are now open. We have some new clubs on offer as well as some old favourites. Mrs Wallace and Mrs Carvell-Shepherd are running a 'Youth Club', Miss Decalmer is running an exciting Design club too! Plus our Crossbar coach is continuing with his popular club. Lots of outside sports in the summer sunshine too—hopefully!

New waste and recycling legislation— 'Simpler Recycling'

From 31st March there is new legislation which impacts schools around recycling. Although it is supposed to be simpler, it will require a few changes to the recycling we already do.

Because of this, children will need to bring home rubbish from their packed lunches. In one sense this is good as it will clearly show you what the children eat at lunch from their packed lunch.

School menu

New school menus have been sent home via email today, starting after Easter.

Parent conversations

Just a reminder that our parent—teacher meetings are being held next week. Please let us know if something crops up and you are no longer able to attend, or you need a phone call instead.

Class 4 / 5 Monday—in the Victorian building all day. Door in corner of the top playground

Class 3— Tuesday—in school before and after school, in the Victorian building during the school day

Class 1 / 2 Wednesday—in the Victorian building all day. Door in corner of the top playground
