Friday 17th December	Last day of term -Christmas holidays
Wednesday 5th January	Return from Christmas—all children

Clubs—Autumn term 2

The new clubs online forms for next half term have been sent out today. The after school coach clubs are the same as this half term—so please book early if your child wishes to continue as some clubs were full quickly. Clubs include: football skills for KS1 and KS2 with Mr Parton; Lego club; Musical Theatre with Tophat; STEM science club with crazy experiments with Mr Meredith; Art club for KS1 and a fantastic High 5 netball club with Mrs Jordan. Please encourage your child to try a new club—we'd love all the children to try something.

Chill club bookings are also on a separate booking form. If you know your requirements for next half term then please do book them on. It helps us enormously if bookings are set but not changed, as it is a huge administrative job to set it all up.

COVID update—high cases in Telford

Cases in children aged 4—14 are rising quickly. Some schools are having to introduce a range of measures as cases spread quickly.

It is clear that **Lateral Flow tests are not effective on younger children** because the viral load is often too low to pick up on these tests. If your child has any symptoms—then they must have a PCR test as this has a higher level of sensitivity. If you are not sure about your child's symptoms, then test as a precaution. Most children show very mild symptoms, if any.

Curriculum Spotlight!

The children in Classes 3,4 and 5 are learning about **Pop Art** and the associated artists this half term. The artists **Andy Warhol** and **Roy Lichtenstein** have been discussed in Class 5.

ART

Ask your child what they can tell you about it!

5R Star!

Respectful, Resilient, Responsible, Reflective, Resourceful

Each week the children earn raffle tickets or 'Dojo points' as they demonstrate the 5Rs in their learning and friendships. A child from each class is chosen for a certificate.

Well done to:

Class 1: Teddy C—being respectful

Class 2: Oscar C—being resilient

Class 3: Sienna D—being responsible and reflective

Class 4: Sebastian G—being reflective

Class 5: Mollie C—being resilient

Reception 2022

If you have a younger child due to start next September, or you know of friends with children the same age, please be aware that online applications are now open. They close on January 15th 2022.

We are happy to show families around school at the end of the day, so please spread the word!

Keeping your child safe online

This is a great website which reviews films, games and apps—gives you advice to make a decision about whether it is suitable for your child:
