Parent—teacher meetings: end of November

Please look out for a letter on Monday detailing our parent—teacher conversations. It will contain the online booking system and code you will need.

I had really hoped that we could put in place meetings in person this term—to enable you to meet the teachers and see your child’s work. However, following our case this week, and advice from the LA and Public Health, we really can’t do this. We will arrange for your child to upload some pieces of work that they are proud of, so you can see these and talk about them at home. We will pray for some kind of COVID stability by the Spring.

It is possible we may have to implement more COVID measures in the coming weeks. As ever—I will keep you informed.

What’s been happening this week?

Class 3 have been celebrating Diwali with Mrs Patel this week. They looked at Diwa lamps and rangoli patterns with coloured rice.

Class 4 have been looking at what they are grateful for...

Our School Council

Meet our school council. They will be meeting with Mrs Wallace each half term to talk about issues in school and how they can help with making decisions about charities, the garden area and even keeping our school and children safe. They have lots of great ideas!

Art and Craft Club—a plea!

If you have any spare plastic take away tubs with lids—could you please send in a few for KS1 art and craft club!! Mrs Johnson has a special activity planned with them!!

Friends of High Ercall Primary School (FHEPS)

Re-arranged date: Meeting Thursday 11th November via ZOOM at 7.00pm.

The code for the ZOOM meeting will be sent out via email on Monday.

Fundraising aim: We are raising money to create a new sensory garden in the areas we cleared at the bottom of the playground.

We want it to look fabulous by the spring!
