Learning at home and school

Class 1 have been having fun with rhyming: dogs sitting on frogs, Ellie and welly!

Flamingo on a pond, by Xanthe

Forest school art!

An insect by Jenson

by Ben - Picasso art

Dani is still feeding the birds! RSPB big bird count this weekend.

Lots of artwork this week—looking great!

Snow!

More snow forecast on Saturday—have fun!!!

Recent announcements

This week Boris Johnson announced that schools potentially might return from 8th March. Clearly this is not definite at the moment—and I would expect that we might hear on 22nd February, after half term, which would give us the 2 weeks notice promised. At school we get no more notice than you do—so we will wait and see. We are desperate to see all the children, providing it is deemed safe to do so.

Clubs bookings for next half term

A link for the 2 weeks after half term will be sent today. This is for **essential Key worker** child care before and after school **ONLY**. We will send a further booking form from 8th March depending on who will be attending school at that point.

DATE	EVENT
Friday 12th February	Break up for half term
Monday 22nd February	Return from half term—for key workers
Thursday 1st April	Break up for Easter
Monday 19th April	Return to school after Easter
Monday 3rd May	Bank holiday
Tues 25th—Fri 28th May	Arthog Local experience—Year 6. Moved from March.
Friday 28th May	Break up for half term

Well done to our 5R Stars—these are children working at home and school. We know you are all working hard and it is difficult to choose just one child! Well done to all of you too.

Our 5Rs are being:

Respectful, Resilient, Responsible, Reflective, Resourceful

Well done to:

- Class 5: Jamie H—being resilient
- Class 4: Sebastian G—being responsible
- Class 3: Esmee O’N—being resilient
- Class 2: Emily W—being resourceful
- Class 1: Lewis—being responsible

Contacting families

We will be contacting all parents in the next two weeks for a chat. The teaching staff and I will be speaking to families across school, just to say hello, catch up about home learning and support in any way we can. Remember we are here to help.

Adopt a class animal!

We are hoping to adopt an animal for each class—and would like all the children to get involved by looking at the website this week. There are lots of lovely things to see anyway on the website—and we will look at how we choose and vote for an animal in the week before half term! <https://www.chesterzoo.org/online-shop/adopt-an-animal/>

Children’s Mental Health Week—Express Yourself

We have planned a screen free day for next Friday—at home and school to encourage the children to get out, be creative and make a poster or collage to ‘express themselves’. More info on the weekly planning for next week.
