Weekly roundup!

A few pictures into the 'Secret Life in Class 1'—we appreciate that when your child starts school, they tell you NOTHING about their day, except maybe what they ate or that they had cake!

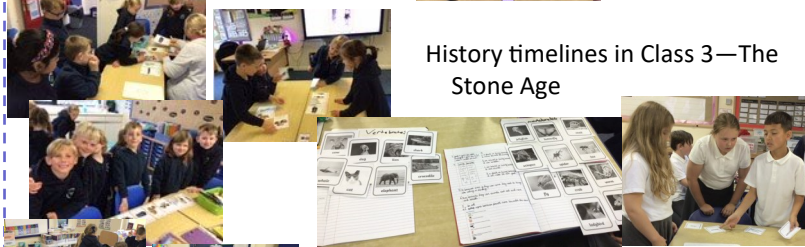

They play and learn to negotiate and take turns; write, draw, read, have fun and use both the inside and outside spaces! More pictures on Class 1 page of the website to attempt to demystify school life for you!

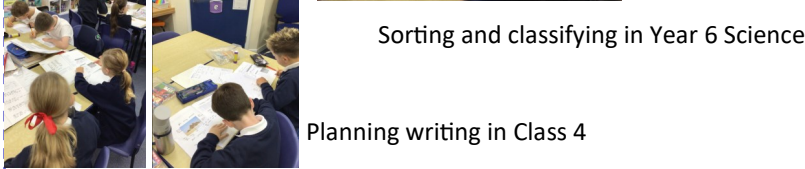

Maths games in Year 2.

History timelines in Class 3—The Stone Age

Sorting and classifying in Year 6 Science

Planning writing in Class 4

Coming up...

Bikeability for Year 6—emails have been sent out with days for each child—either Monday / Tuesday or Thursday / Friday.

Netball / Football—Matches and development for some children in Year 5/6. More sports opportunities will continue through the year across school.

School Council

The classes have all been involved in electing their School Council representatives. They are elected democratically (one of our British Values) and it is one of our popular responsibilities! The children meet every 4 weeks or so and discuss a range of issues. Safeguarding and Keeping Safe is always top of the agenda, but then they may discuss the school menu, or playtime activities or be involved in aspects of school improvement. Despite their serious job—they love a silly face!!!

Attendance

We love to celebrate attendance!

This week: Class 1—super attendance from our youngest children!
