What's going on this week?

Class 4 have been looking at clouds in their Geography, Plenty to see this week!!!

Class 3 have baked some lovely bread rolls this week—and tasted them! Lots of food cookery in our DT curriculum this term.

Maths fun in Class 2 this week—looking at numerals and quantities.

Class 1 nativity

Class 1 are busy rehearsing for their little nativity play! They will hopefully be ready to share it on Wednesday morning at 9.30am!!

Please come to the hall door for 9.15am—or wait after drop off. I will open the hall doors at 9.15am. We ask that each family has no more than 2 members in the audience—just so it isn't too daunting for the children!

Please bring along a little cash as we will raffle off 2 hampers too.

You will be able to take photos, though we do ask that no photos / videos are shared on social media. This is because you may include other children and those parents may not want their child's photo on Facebook or any other social media site.

Attendance and illness!

We have had quite a nasty high temp and cough bug this week, especially in KS1. If this continues into next week, please do keep your child at home if they still have a temperature so we can try and stop the spread.

Best attendance this week: Class 5 at 95% - which is low for us and shows how much illness we have had this week.
