**Happy New Year!**

It's been lovely to see all the children this week—and get settled back into our school routines!

Class 4 are busy working together finding out about newspapers for their writing this term.

Art in Class 2—modelling

Making maths patterns in Class 1

**Online Safety newsletter—please read the attached newsletter which has useful information about Fortnite and general age guidance.**

Spring term events

**Curriculum Spotlight afternoon—Tuesday 14th January at 3.30pm.**

Form sent home on Thursday—please can you fill in if you can come.

Straight after school, and with the children, come and see some of their Geography and History learning from this term, but then find out a bit about how we teach this subject and what is coming up this term for your child's class. Feedback last year was that as a parent body, you wanted to know more about the curriculum we teach—so please come and find out. Short half an hour session with the children.

**Parent Online Safety Workshop—led by West Mercia Police—Tuesday 21st January at 5.30pm. Please don't forget to attend this event!**

We've deliberately put this on later in the day, to get as many parents as possible to this important event—to help you keep your child safe online. Please do book in one parent to come along as it is so important.

**Parent Conversations dates**—please make a note of the dates from the calendar in March, just so you can book time off or just be aware in advance. Usual booking system will come out via letter.

**Rockstar Day**—please note the date for costumes! A focus on TTRS and basic number facts. The children can all come dressed as a Rockstar.

**Cold weather!**

Thanks to Mr Dimbleby this week—who was here at half 7 to grit paths! Much appreciated as it helps us keep the environment safe.

If we should get more of the 'white stuff', school would only be closed if sufficient staff cannot get in safely or it is unsafe to expect parents to travel. There would always be an email sent out and I would notify the Telford Schools Closure line which is on the T&W website, to notify parents of closures.

**Invoices and Clubs**

Invoices are being sent out with regards to clubs that have been booked ready for this term. Please can you help us by settling these accounts.

There are a few spaces in most clubs each day—except Musical Theatre on a Tuesday which was super popular and is full! If you would still like to book on a club, especially on a Friday as we are lucky to have a new Crossbar Coach for the term, then please do contact the office.

DATE	EVENT
Tuesday 14th January	Curriculum Spotlight—History and Geography 3.30—4.00pm with children
Wednesday 15th January	Class 1 Toy Workshop
Tuesday 21st January	5.30pm Important Online Safety workshop led by West Mercia Police
