Class 3 have started their new history topic about The Tudors—and have been looking at timelines.

Class 2 have been enjoying their computing learning.

Class 4 has started their Writing by hot seating the characters to find out more about them!

**Online Safety Workshop—West Mercia Police. Tuesday 21st January at 5.30pm for 1 hour. Please attend. It is very important for your child's safety at home when online.**

**Spring term events**

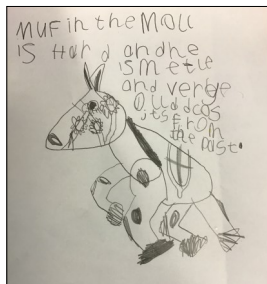

**Curriculum Spotlight afternoon**

Many thanks if you came along on Tuesday afternoon to find out a bit about how we teach history and geography. Hopefully you will have found it useful—and enjoyed looking at your child's work and the floor books in Key Stage 1. I also sent around via email each class PowerPoint which was used in the workshops, so if you couldn't come along, then you could have a read! At the back of this was also the curriculum overview for the term for each class. These are also on the class pages of the website.

**Class 1—Toy Workshop**

Class 1 have had a lovely start to their history theme this term—looking at a range of toys from the Shrewsbury Museum which showed toys in the past. They have been able to handle the artefacts and talk about similarities and differences between toys. These are both key history skills which the children develop and use through school. You may recognise some of the toys!!! More pics on the website. **Look at this writing!**

**Class 1—plea for some help!**

Mrs Jordan sent out an email this week to ask whether any parents could help with some renovations in the Class 1 outdoor area. This could be simply helping tidying up or using any carpentry skills to make some new items! There is a planning meeting on Tuesday 4th February at 5.00pm. Please come!

Thank you if you have already offered your help. If you can make the meeting—please do drop by or drop us an email with your thoughts or any help you think you may be able to offer. Mrs Jordan has lots of plans!!
