

## Our vision for Physical Education and School Sport.

At High Ercall Primary School, we aim to provide an exciting, balanced and varied programme of activities in physical education that will contribute to each child's physical and emotional development. We strive to create a positive attitude towards P.E. with correct coaching and responsibility given to the children. It is hoped that the children will gain enjoyment from physical education and pursue sporting activities in their private lives, thus promoting a healthy lifestyle.

The school introduces children to a range of sporting activities and encourages them to appreciate how such interests can enrich their lives. A variety of activities are arranged throughout the year and children of all ages have the opportunity to participate in them.

Within the curriculum, each child takes part in at least two hours of quality physical education and school sport per week. We also provide a number of 'extra-curricular' sport sessions as we feel physical potential can be enhanced by including children in teams for internal and external competitive events. We endeavour to build links with sports clubs in the community and sign post pupils to develop their sporting potential. During the Summer Term the Key Stage 2 children have a series of weekly swimming sessions at Shortwood Swimming Pool. Our aim is for all pupils leaving the school to be able to swim at least 25m. All pupils in year 6 have the opportunity to attend Arthog Outdoor Education Centre on a school residential.

Since September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. School websites are now required to include details of their provision of PE and sport, alongside details of their broader curriculum, so that parents are able to compare the sports provision between schools, both within and beyond the school day.

## Swimming Data

Please report on your Swimming Data below.

<b>Meeting national curriculum requirements for swimming and water safety.</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022	75%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	75%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100% accessed water safety lessons in the classroom and on dry land. Arthog outreach day sessions in Summer 2022 carried these out too. 75% of children very competent to carry this out in practise.
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No
